CIRCULAR

Subject: Posting/Updation of URLs/social media handles by registered Recruiting Agents (RAs) on eMigrate portal – reg.

As you may be aware, there recently has been a surge in the case of fake employment offers circulating online, trapping Indian youth and workers abroad.

2. The OE&PGE Division has highlighted this concern to the relevant stakeholders including to Ministry of Electronics and Information Technology (MeitY), India Cybercrime Coordination Centre (I4C), CERT-In and Social Media Intermediaries (SMIs) for coordinated action in tackling this.

3. According to the Emigration Act, 1983, only the RAs registered on eMigrate portal are authorized to publish advertisements of job opportunities abroad. Therefore, to curb the menace of fake job offers online, directives will be issued to SMIs that recruitment advertisements ONLY from the registered RAs be posted/hosted by them on social media platforms.

4. However, before this measure is rolled out, it is essential to have a whitelisted database of the URLs/Web addresses and social media handles of registered RAs, which can be provided to the SMIs. All recruitment advertisements posted thereafter shall only be from such WHITELIST. The registered RAs will hereinafter also be mandated to have their RA ID on the advertisements published by them.

5. In view of this, the registered RAs are being directed to provide their updated URLs and social media handles on their profile page of eMigrate portal. The procedure for updating required information is mentioned at Annex-I. This exercise is to be completed by 31 May 2024.

6. In order to curb the menace of fake employment offers, PoEs are also requested to direct the RAs under their jurisdiction to submit the requested information on the eMigrate portal within the given timeline.

7. This issues with the approval of JS (OE) & PGE.
